OC Squadrons

### WING PERFORMANCE – DOE YEAR 05/06

1. I have now received the results of the A.T.C. for the DoE Year 1 April 05 - 31 Mar 06, and a summary is shown below. Our performance was just above our average and resulted in the following:

GOLD	1 <sup>st</sup> in C&E REGION	1 <sup>st</sup> in A.T.C.	20
SILVER	1 <sup>st</sup> in C&E REGION	2 <sup>nd</sup> in A.T.C.	53
BRONZE	2 <sup>nd</sup> in C&E REGION	8 <sup>th</sup> in A.T.C.	85

2. This is a magnificent achievement, and credit must go to all those units who gained awards in the year – bearing in mind we did have 5 that did not! The current year we are off to a slow start and I hope you can all assist and get cadets from every unit to gain an award, and beat the totals above!
