BTEC FIRST DIPLOMA IN PUBLIC SERVICES & MUSIC

1. During 2010 82 Cadets representing 19 Squadrons on the Wing gained their BTEC in Public Services. (see list for breakdown and grades). In all 24 Squadron's participated during 2010 with over 130 Cadets being involved. At the time of writing this report a further 25 Cadets are in the process of completing their awards.
2. Staff who have agreed to oversee the activity at Squadron level may I ask that you continue to monitor your Cadets and actively encourage participation then record their achievements to register with CVQO. 2010/2011 registrations have seen changes within the syllabus however we have at present 97 Cadets representing 18 Squadrons registered for PS and 23 for Music a slight drop from 2009/2010 for PS but a significant increase for Music.
3. CVQO like many organisations are under quite rigorous financial restrictions this could have an impact on Cadets who are registered /enrolled now and in the future therefore it is vitaly important that Workbooks are completed and sent to CVQO to prevent our Wing from having our numbers curtailed as it costs around £300 per Cadet.
4. I would like to take this opportunity to thank you all for your time and effort, may I also pass on my particular thanks to Wing Commander Steve Mills CVQO Regional Manager he as given me a great deal of personal support and guidance throughout the year which is most appreciated.
