### **COLLECTION OF TESCO SPORTS FOR CLUBS VOUCHERS**

1. Its time to start collecting again please, the vouchers are in stores until Sunday 4<sup>th</sup> November.
2. We already have over 2500 vouchers banked from last year's collection, but this year we need as many people as possible collecting.
3. Please ask as many cadets, staff, committee members, friends etc to help support. The more vouchers the more sports equipment we can exchange them for.
4. If you can collect as many vouchers as possible for the 18<sup>th</sup> November Wing Cross Country this would be an ideal time to give them to me. Any vouchers received after this period will be banked for the following year's collection.
5. Attached at Annex A is a returns sheet if you can please fill it in when sending me the vouchers and preferably tie them in bundles of 100 this would be much appreciated.
6. Any further information please contact me on 07973 428857 or have a look at the tesco web site on [www.tesco.com/sport](http://www.tesco.com/sport):
