

Wings Appeal by 2504 Cadets

On Saturday 15th September 2012, cadets and staff from 2504 Squadron helped the Royal Air Force Association (RAFA) by raising money for the Battle of Britain anniversary. Both the cadets and the staff turned up outside Asda in Chelmsley Wood. All 2504 cadets looked extremely smart at this event wearing their Wedgewood's shirt and tie which proved well in the eyes of the public. Our cadets from 2504 Squadron raised the sum of £547 and our top collectors from the Squadron are Sergeant Alessio Ianiello and Cadet Rhys Beattie who raised £178 between them. Also 2504 came top in the competition held by RAFA between four squadrons and will get the trophy in February 2013.
